Mrs. Patricia W. Kost
Clerk of City Council
P.O. Box 60
Lynchburg, Virginia 24505

Dear Mrs. Kost:

The Authority staff has been working with the City's Inspections Division to address the blighted properties located at 211 Oakridge Boulevard, parcel 054-01-001 and 806 Rivermont Avenue, parcel 023-11-021. The City's Community Development staff has received complaints about these properties, and both have been cited by the city's inspections department for code violations. Both have also been condemned and determined unsafe for human habitation by the inspections department. Our staff has also inspected the properties noting code violations and deficiencies resulting in their blighted condition. Both owners were notified by the Authority by certified mail of the deficiencies under section 36-19.5 of the Code of Virginia and given 60 days to correct the deficiencies. The owner of the property at 211 Oakridge Boulevard contacted staff stating that he is trying to obtain a loan so he can correct the deficiencies. The owner of the property at 806 Rivermont Avenue has not responded to the Authority's notice. Authority staff became aware of the property at 211 Oakridge in July 2002 and has observed its continued deterioration. The city's inspections department staff referred both properties to the Authority in July 2004.

The above Code section provides that an authority may acquire blighted property after a public hearing and approval of such acquisition by the governing body of the city within which the property is located. This is to request that City Council hold a public hearing to consider the request of the Lynchburg Redevelopment and Housing Authority for authorization to acquire these properties pursuant to the above referenced code. Enclosed are copies of the resolutions adopted by the Commissioners of the Authority, proposed resolutions for City Council's consideration, notices sent to the owners and pictures of the property.

Please let me know if you need further information.

Very truly yours,

enclosures

WHEREAS, the Commissioners of the Lynchburg Redevelopment and Housing Authority (the Authority) have undertaken the exercise of additional powers granted to the Authority pursuant to section 36-19.5 of the Code of Virginia, as amended; and

WHEREAS, one of the major objectives to be achieved in exercising powers granted to the Authority under Code section 36-19.5 is to prevent single-family or multi-family dwelling units within the Authority's area of operation from contributing to the blighting or deterioration of the area immediately surrounding such dwelling unit as a result of the continued deterioration of such dwelling unit and further, to prevent the deterioration of such dwelling unit to such an extent as to constitute a serious and growing menace to the public health, safety and welfare; and

WHEREAS, the Commissioners of the Authority have made a finding that the dwelling unit located at 211 Oakridge Boulevard, Lynchburg, Virginia (the property), (i) has deteriorated to such extent as to constitute a serious and growing menace to the public health, safety and welfare; (ii) that the property is likely to continue to deteriorate unless corrected; and (iii) that the continued deterioration of the property may contribute to the blighting or deterioration of the area immediately surrounding the dwelling unit; and

WHEREAS, as a prerequisite to the acquisition of the property by the City of Lynchburg, on behalf of the Authority, in accordance with Code section 36-19.5 (B), the required notice has been given to the landowner to correct the deterioration of the dwelling unit; and

WHEREAS, the owner has failed to correct the deteriorated condition of the dwelling unit.

THEREFORE, BE IT RESOLVED, by the Commissioners of the Authority that the Executive Director of the Authority, in consultation with the Authority's legal counsel, is hereby authorized and directed to request that the City Council of the City of Lynchburg hold a public hearing to consider the Authority's request to acquire the property at 211 Oakridge Boulevard, Lynchburg, Virginia, in accordance with the provisions of Code section 36-19.5, for the purpose of development and redevelopment, including, but not limited to, renovation, rehabilitation and disposition of the property.

Re: Parcel 054-01-001
211 Oakridge Boulevard
Lynchburg, Virginia

Dear Mr. and Mrs. Crump:

In a cooperative effort with the City of Lynchburg, the Board of Commissioners of the Lynchburg Redevelopment and Housing Authority has directed our staff to identify residential properties that are deteriorated, that are likely to continue to deteriorate unless corrected, and that may contribute to the blighting or deterioration of the surrounding area. We have been made aware of the above property which city records show to be owned by you. We observed the dwelling on January 10, 2003, and more recently on August 26, 2004, and found the following conditions:

1. Condemned and determined unfit for occupancy by city's inspections department on January 9, 2003.
2. Roof deteriorated and front porch roof collapsing.
3. Soffits and fascia deteriorated.
4. Gutters deteriorated.
5. Peeling paint on trim of structure.
6. Front porch deck deteriorated.
7. Lattice around front porch deteriorated.
8. Siding deteriorated and sections with peeling paint.
9. Debris on front porch.
10. Shrubbbery overgrown around structure.

We are requesting that these deficiencies and any other non-compliance with the local building code be corrected within sixty (60) days of receipt of this notice, pursuant to Section 36-19.5 of the Code of Virginia. If these corrections are not completed within that time, the Authority Commissioners may request Lynchburg City Council to conduct a public hearing to determine the appropriateness of authorizing the Authority to acquire the property for the purpose of development and redevelopment, including but not limited to, renovation, rehabilitation, and disposition of the property.

Please contact Connie Snavely of our staff at (434) 845-9011 if you wish to discuss this.
